

Fantastic Scholastic Book Parade
Written by Eric Litwin

It's a Fantastic Scholastic Book Parade!
It's a Fantastic Scholastic Book Parade!
It's a Fantastic Scholastic Book Parade!

This is how we do it:
We're going to step together.
We're going to step together.
We're going to step together.

It doesn't matter whether you are big or small,
We want you all to grab a book, take a look,
And get hooked on the reading parade!

It's a Fantastic Scholastic Book Parade!
It's a Fantastic Scholastic Book Parade!
It's a Fantastic Scholastic Book Parade!

This is how we do it:
We're going to hop together.
We're going to hop together.
We're going to hop together.

It doesn't matter whether you are big or small,
We want you all to grab a book, take a look,
And get hooked on the reading parade!

We're going to slide together.
We're going to slide together.
We're going to slide together.

It doesn't matter whether you are big or small,
We want you all to grab a book, take a look,
And get hooked on the reading parade!

It's a Fantastic Scholastic Book Parade!
It's a Fantastic Scholastic Book Parade!
It's a Fantastic Scholastic Book Parade!

So grab a book, take a look, and get hooked on the reading parade!
