Parents: Did You Know?
Reading at home on a daily basis can impact a child’s success in school and in life.
A home library is an idea space where children expand their knowledge and vocabulary, and develop stronger thinking skills.
Be involved. Learn about your child’s interests and preferences. Help them build an idea space filled with books they can read alone … and with you.
Access a short video and see how your involvement can make a difference. You can view this video at scholastic.com/bookfairs/family
