Engineering

Engineers study how buildings react to earthquakes. They make safer buildings. Some new buildings can bend. They will not break when an earthquake shakes them.

Vapor sticks to salt and dust in the air. This forms droplets. Many droplets together make a cloud.

Lightbulbs use energy.

Some use wires. They change most of the energy into heat. Not much energy becomes light.

BookFlix is an online literacy resource that pairs classic animated storybooks from Weston Woods with related nonfiction ebooks from Scholastic! By linking fact and fiction, BookFlix reinforces early reading skills and introduces children to a world of knowledge and exploration. Your school's annual subscription to BookFlix includes unlimited access for every student, at school and at home! Gr. PreK–3.

Topics include:

- ABCs and 123s
- Adventure
- Animals and Nature
- Celebrations
- Earth and Sky
- Family and Community
- Imagination
- Music and Rhyme
- People and Places

Features include:

- 125 fiction/nonfiction pairs, including 35 translated into Spanish
- A video adaptation of a classic storybook and a dynamic nonfiction ebook for each pair
- A read-aloud option with word highlighting and mouse-over definitions of key vocabulary words to support beginning readers
- Author biographies
- Detailed lesson plans

507586 BookFlix annual subscription \$1369.00

Please mail your order to the *Scholastic Dollars™* Catalog or fax your order to **1-888-282-4013**. If you have questions about your order, call our toll-free Customer Service line at **1-800-799-READ** or email your questions to catalog@scholasticbookfairs.com.

Shop the Catalog

For your convenience, and to view an even larger selection of items, shop online at www.scholastic.com/bookfairrewards. If you prefer, you may use the write-in order form on pages 95–96.

Library Processing

Shelf-Ready books are now available at checkout at www.scholastic.com/bookfairrewards. Library Processing is available for each of the hardcover and library-bound books offered in our catalog. We offer a Basic Automation Kit (MACHINE-Readable Cataloging Record, a Barcode Label, Spine Label, and the option of a Reading Label). Labels will be attached to the applicable books at time of order fulfillment based on the system requirements you provide. After receiving your processed books and MARC records, simply upload the MARC records into your library system and shelve the books for students to check out! Books with library processing may not be returned and order processing time will increase by an additional 6–8 business days. Please note: we do require a minimum order of 20 kits or records. For questions regarding your school's specifications, please contact your system vendor.

Customers have an alternate option for MARC Records when ordering online. Complimentary MARC Record files can be available for download in your order history after your order is placed if you select this option. Please contact your system vendor for assistance with downloading your complimentary MARC Records.

Select Your Payment Method

Enclose information about one or more of the following forms of payment to satisfy your total amount due, including shipping and handling and sales tax where applicable: Scholastic Dollars™ (to be redeemed exclusively through Scholastic Book Fairs® venues), school purchase order, or school or personal check. Make checks payable to Scholastic Book Fairs. To use a credit card for payment, please order online at www.scholastic.com/bookfairrewards.

Order Fulfillment

We try very hard to keep all of our titles in stock, and most of the time we succeed. If we do run out of an item, we will ship the rest of your order to you and allow you to place another order from the catalog at your convenience. In most cases, you will receive your order within 12 to 15 business days from the date we receive your order. Please note that drop-ship items will be delivered within four to six weeks. They will be shipped separately, within the 48 contiguous United States only.

Returns

If you are not delighted with any item, you may return it for an exchange or refund within 30 days (excluding digital products and items with library processing). All merchandise must be returned in new condition with all original boxes, packing materials, documentation, and instructions. Please contact us at 1-800-799-READ to obtain return authorization.

Questions?

Call our Customer Care team to get answers to your questions about the ordering process, products in the catalog, or to obtain return authorization. We accept returns within 30 days of your order date. Please have your order number ready when you call 1-800-799-READ or email your question to catalog@scholasticbookfairs.com.
